

# Something You Get Through

## By Willie Nelson

Intro - Fmaj7-G-Fmaj-G

C                    G7                    C                    G7  
 When you lose the one you love - You think your world has ended  
 C                    G7                    C                    G7  
 You think your world will be a waste of life - Without them in it  
 Fmaj7                Em                    Dm                C  
 You feel there's no way to go on - Life is just a sad, sad song  
 Fmaj7                Em                    Dm                G7  
 But love is bigger than us all - The end is not the end at all

                                 Fmaj7   G                                    C  
 It's not somethin' you get over ---- But it's somethin' you get through  
                                   Fmaj7   G                                    C  
 It's not ours to be taken --- It's just a thing we get to do  
                                   F                    Em                    Dm                    C  
 Life goes on and on - And when it's gone - It lives in someone new  
                                   Fmaj7   G                                    C  
 It's not somethin' you get over ----- But it's somethin' you get through
