

# Speeches

## Walk Off The Earth

Capo 3rd fret = original key

Intro - Am

The second snow was heaven sent you laid it out like evidence  
Read all the words you never said like speeches for the president  
I drew your name in wet cement made promises in reverence  
To save them for your reference a victim of my circumstance

C G Am  
But oh when you lay your hands on me - I know that I can heal  
C G Dm  
There's a blinding light that no one else can see  
G Am C F  
Nobody no nobody but me - Oh oh oh oh ooh oh  
Dm G Am C F Dm G Am  
Nobody no nobody but me - Oh oh oh oh ooh oh - Nobody no nobody but me

The signatures did finalize our pens had found the bottom line  
The past that had me paralyzed and all my future analyzed  
Do you think we got it right? the world will disagree this time  
Will it turn a wicked tide? or be a ghost that keeps us up at night?

C G Am  
Oh when you lay your hands on me - I know that I can heal  
C G Dm  
There's a blinding light that no one else can see  
G Am C F  
Nobody no nobody but me Oh oh oh oh ooh oh  
Dm G Am C F  
Nobody no nobody but me Oh oh oh oh ooh oh  
Dm G Am C F Dm G Am  
Nobody no nobody but me Oh oh oh oh ooh oh - Nobody no nobody but me

G F G Am  
Will I never know your name - 'Cause I want to?  
G F G Am G F  
Did you ever care to say - That you want me?  
G Am G F G Am  
That's all I wanted

C                    G                    Am  
Oh when you lay your hands on me - I know that I can heal  
C                    G                    Dm  
There's a blinding light that no one else can see  
G                    Am                    C                    F  
Nobody no nobody but me Oh oh oh oh ooh oh  
Dm                  G                  Am                  C                  F  
Nobody no nobody but me Oh oh oh oh ooh oh  
Dm                  G                  Am                  C                  F  
Nobody no nobody but me Oh oh oh oh ooh oh
