It's a mighty mean and a dreadful sorrow

It's crossed the evil line today

How can you ask about tomorrow

When we ain't got one word to say?

So what in the world's come over you

And what in heaven's name have you done?

You've broken the speed of the sound of loneliness

You're out there running just to be on the run

You're out there running just to be on the run

You're out there running just to be on the run
