E

I remember when Mary Lou said, you wanna walk me home from school"

A E

And I said, "Yes, I do"

She said, I don't have to go right home, & I'm the kind that likes to be alone

A E

As long as you would" ... I said, "Me, too"

B7

And so we took a stroll wound up down by the swimmin' hole

A E

And she said, "Do what you want to do"

B7

I got silly and I found a frog, in the water by a hollow log

A E

And I shook it at her and I said "This frog's for you"

She said, "I don't like spiders and snakes

A E

And that ain't what it takes to love me, you fool, you fool

A

I don't like spiders and snakes, and that ain't what it takes to love me

D - E - G - A - G - E x 2

Like I want to be loved by you"

E

Well, I think of that girl from time to time, I call her up when I got a dime

A E

I say, "Hello, baby", she says, "Ain't you cool"

I say, "Do you remember when, and would you like to get together again"

A E

She says, "I'll see you after school"

B7

I was shy and so for a while, most of my love was touch and smile

A E

Til she said, "Come on over here"

I was nervous as you might guess, still looking for somethin' to slip down

A E

her dress and she said, "Let's make it perfectly clear"
