

Standing Outside The Fire

Chords And Lyrics

By Garth Brooks

Capo on 2nd fret

 G C/G G
We call them cool - Those hearts that have no scars to show
 Em C Am D
The ones that never do let go - And risk the tables being turned
 G C/G G
We call them fools - Who have to dance within the flame
 Em C
Who chance the sorrow and the shame
 Am D
That always comes with getting burned
 Em D/Gb C G
But you've got to be tough when consumed by desire
 Em D/Gb C D G C/G
'Cause it's not enough just to stand outside the fire

 G C/G G
We call them strong - Those who can face this world alone
 Em C Am D
Who seem to get by on their own - Those who will never take the fall
 G C/G G
We call them weak - Who are unable to resist
 Em C Am D
The slightest chance love might exist - And for that forsake it all
 Em D/Gb C G
They're so hell-bent on giving ,walking a wire
 Em D/Gb C D G
Convinced it's not living if you stand outside the fire

C D G C D G
Standing outside the fire - Standing outside the fire
Em D/Gb G C Am D G
Life is not tried, it is merely survived if you're standing outside the fire
