

Star

Chords And Lyrics

By Stealers Wheel

Intro – D-C x 4

G D Bm Em C G Am
So they made you a star - now your head's in a cloud
G D Bm Em
Now you're walking down the street
C G Am
With your feet off the ground
Em D C G
They read in the press all about your success
Am Em B7
They believe every word they've been told
Em D C G
After all you've been through tell me what will you do
Am Em D C D C
When you find yourself out in the cold? Ah tell me .. Ah tell me

G D Bm Em C G Am
When you appear on the stage - there's a standing ovation
G D Bm Em
You really live out your performance
C G Am
You're the biggest sensation
Em D C G
You breeze through the door and when you take the floor
Am Em B7
You expect to have it all to yourself
Em D C G
After all you've been through tell me what will you do
Am Em D C
When you find yourself back on the shelf? .. Ah tell me

D C
Ah tell me
