

Star Baby

The Guess Who

Capo 2nd fret = original key

A D
Well I never been much for admitting things - That's why it's all so hard to say
A G A G D

That I'm head over heels in love with your kind of insanity

A
And if it please your highness on a sunny day sometime

D
Can I take your picture in the park with silk and satin oh?

A D F
Star baby - Flashy little shiny little two timin' mama singin'

A D F
Star baby - Shiny little flashy little lovin' machine

A D
I've never been much good at keepin' a secret now it's easy for me to say
A G A G D

That I'm head over heels shook up about the way that you fool with me

A
And if it please you highness on a sunny day sometime

D
Can you take me riding babe I'll tell you what I'm thinkin' 'bout you

A D F
Star baby - Flashy little shiny little two timin' mama singin'

A D F
Star baby - Flashy little shiny little lovin' machine

Break - F-A#-F-C-F-D#-A# ... F-A#-F-C-F-E7

A D
Well I saw you last night on a Hollywood show - and now it's easy for me to say

A G A G D
That I'm head over heels shook up about the way that you sang to me

A
And if it please your highness on a sunny day sometime

D
Can you take me drivin' maybe kissin' in your Cadillac

A D F A D F
Star baby - Flashy little shiny little two timin' mama singin'

A D F A D F
Star baby - Flashy little shiny little lovin' machine --- Star Baby

A D F A D F A
Star Baby - Flashy little shiny little lovin' machine --- Star Baby
