

Stars In The City - Old Dominion

Intro - Am-D (x4)

Am D
We took a u-turn down on 42nd street

Am D
Almost hit another car - Spilled my coffee on my jeans and I said

Am D
"Aw, they're ruined now" She said - "Naw, they're better now

Am D
It's just a matter of perspective - she kissed my cheek

Am D
It's the little imperfections that make'em unique

Am D
I don't know how she does it but she

Am D Am D
Could see the stars in the city - She sees a diamond when the world sees dust

Bm Em
Finds the glitter in the gritty - I know I ain't much but

Am D
That girl sees something nobody else can see

Am D
When she sees something in me - Yeah she
Am D Am D

Could see the stars in the city

Am D
The more I hang with her the more I realize

Am D
Their can be beauty in the broken if you open up your mind she says thinks like

Am D
"Ain't this rain nice" and - "Don't sad songs make you smile"

Am D
Well if she's crazy - I wanna be crazy too

Am D
She's the kinda girl that can break up a band

Am D
I wanna see whatever she can

Am D Am D
Could see the stars in the city - She sees a diamond when the world sees dust
