

Some people gonna drag you down  
D A  
There's no living in the backseat  
D G  
If you're gonna drive through town  
D A  
And when you pray for independence  
D G  
Boy - you better stand your ground  
D A  
You got to give it all you got now - Or you might get shot down  
G  
Fight hard until the battle is won -- ohhhhh  
A G A

Stick to your guns - Ain't nobody gonna hurt you baby  
D G A Bm A  
You can pull the trigger - But only if you have to  
G D A  
Aim from the heart - Some will love and some will curse you baby  
D G A Bm A  
And you can go to war - But only if you have to  
G D A  
It's only if you have to  
D G

Break - G- Bm-D-A ... G - Bm- A  
G  
Well, you know that I been through it - I got the scars to prove it  
A G A  
Fight hard and the Battle is yours -- ohhhhh
