I could have gone to Canada or I could have stayed in school

But I was brought up differently I couldn't break the rules

Thirteen months and fifteen days the last ones were the worst

No place to run to where I did not feel that war  
Em G A7 A7/A+  
When I got home I stayed alone and checked behind each door

Cuz I'm still in Saigon still in Saigon I am still in Saigon in my mind

The ground at home was covered with snow - and I was covered in sweat

My younger brother calls me a killer and my daddy calls me a vet  
Em Gm Bm  
Everybody says I'm someone else and I'm sick - and there's no cure

Damned if I know who I am - there was only one place I was sure

I can't tell no one I feel ashamed afraid someday I'll go insane
