Still The One By Orleans

Lyrics And Tab

Drop D Tuning - Intro - D (Dmod is E on 7th B and G on 9th) and B is B note on the A string and the B string on the 3rd fret.

D

We've been together since way back when
Sometimes I never want to see you again

G A
But I want you to know, after all these years

G A
You're still the one, I want whisperin' in my ear

D G
You're still the one, I want to talk to in bed
Bm E7
Still the one, that turns my head
G A D
We're still having fun, and you're still the one.

I looked at your face every day
But I never saw it 'til I went away
G A
When winter came I just wanted to go
G A
Deep in the desert, I longed for the snow

D G
You're still the one, that makes me laugh
Bm E7
Still the one, that's my better half
G A D
We're still having fun, and you're still the one.

G
You're still the one, that makes me strong
Bm E7
Still the one, I want to take along
G A D
We're still having fun, and you're still the one.

--Break - D - G - A - G - A - D - G - Bm - E7 - G - A - D

Dmod C B Asus A
Changing, our love is going gold, even though we grow old it grows new
D G
