## Chords And Lyrics

### By Bob Wills

Intro – C-D-7-G7-C-G7

When it's sugarcane time - And around about June  
I'll be walkin' with my sugar - 'Neath that old sugar moon  
All the lovin' I missed - I'll be gettin' it soon  
I'll be gettin' it from my sugar - 'Neath that old sugar moon

I can see us right now - Get the calendar down  
Draw a circle around - The day we're heaven bound

When it's sugarcane time - And around about June  
All the birds will be singin' - 'Neath that old sugar moon
