

Take A Little Trip Chords & Lyrics – By Alabama

Intro –A

A

If we could leave this big ol' city

D

And head for the cabin we love back deep in the woods

G A

Woah, baby we would

If we could jump some big ol' jet plane

D

And head for the islands where the weather is always good

G A

Oh, don't you know we would

E

Well we can't do this and we can't do that

D

But baby we can stay right where we're at

A

G

D

Take a little trip - take a little trip - Take a little trip up to heaven tonight

A

G

D

Take a little time - leave it all behind - Take a little trip up to heaven tonight

A

A

We could go downtown to a nightclub

D

And dance to the rhythm of the music on that old hardwood

G A

Woah, baby we could

We could call up Rita and Bobby

D

And see what they're doing tonight and maybe play some rook

G A

Yeah, baby we could

E

Yeah now we can do this -or we can do that

D

Or baby we can stay right where we're at

A

G

D

Take a little trip, take a little trip - Take a little trip up to heaven tonight

A

G

D

Take a little time leave it all behind - Take a little trip you and me out of sight

E

Gbm

Pull down the shades turn out the lights

D

Take a little trip up to heaven tonight

A

G

D

Take a little trip, take a little trip -Take a little trip up to heaven tonight
