

Take Me Down Chords & Lyrics – By Alabama

Intro – C-F-C-F

C

Fly away - with me tonight - Take me on a one-way flight

G Dm C F

In your lovin' arms - And ev'rything's gonna be alright

C F

You're the one - who took my hand

C

When no one else could understand

G Dm C

You're the one who moves me - Like nobody else can

Am Dm

Take me down - where I wanna be

Am Dm Em F

Turn around, this man who lives inside of me

G C G

Take me down and love me all night long

Am Em

Hold me close and make me strong

F Fmaj7 C F

Take me down ---- take me down tonight

C
In your eyes - I see a light - It's your emotions glowin' bright
G Dm C F
So keep the fires burnin'- And let it warm me through the night
C F C
You can be - a part of me --- 'Cause you're what love was meant to be
G Dm C
You and me baby ----- We'll set this flame inside free
