

Take Me Out To The Dancehall

Tab Chords And Lyrics

By Pat Green

Intro – G-C-G-C-G-C-G

Let you hair down - Wear somethin' pretty
Don't you know - how you make us both look good
We'll call your mama - And tell her we're going out tonight
We're going to be late - Hey, we might not make it back at all

So take me out to the dancehall
And slap my foot down to the rhythm
Tell 'em to play them old songs - we all love
So tell me that you want me
And I'll tell you that I want you too
And I'll kiss your face - whenever you want me to

Some people say - don't you waste your time away
Late night living - lover's rendezvous
Well, take my hand - And take a chance, yeah
Close your eyes, yeah the rest is going come to you
