

# That Lonesome Song Chords And Lyrics By Jamey Song

Drop D Tuning

D C G  
 That mornin' sun made its way - Through the windshield of my Chevrolet  
 C G A+ A7  
 Whiskey eyes and ashtray breath - On a chert rock gravel road  
 D C G  
 What the hell did I do last night? - That's the story of my life  
 C G A+ D  
 Like tryin' to remember words - To a song nobody wrote

A G A  
 And it's sad and it's long - And can't nobody sing along  
 A+ C D A+ C D  
 It's a south bound train - It's a whistle in the wind  
 A+ A7  
 Ain't no one there to care - where I've been  
 C G D  
 I'm hummin' on that lonesome song again

D  
 I took a trip across the country from Montgomery  
 G D  
 Discovered I'd been wrong - for so long  
 I thought it was the fame and the glory - and the money  
 G D  
 But all I've got to show - is a damn song

A G A  
 And it's sad and it's long - And can't nobody sing along  
 A+ C D A+ C D  
 It's a south bound train - It's a whistle in the wind  
 A+ A7  
 There's no one there to sing to in the end  
 C G D  
 I'm hummin' on that lonesome song again
