 A                                E    Ddim Gbm       A6                   Gb m6
There's got to be a morning after ------ If we can hold on through the night
E             Ddim                Gbm     A6  D             G                Esus E
We have a chance to find the sunshine - Let's keep on lookin' for the light

 A                                E    Ddim Gbm         A6                   Gb m6
Oh, can't you see the morning after ----- It's waiting right outside the storm
E             Ddim                Gbm     A6  D             G
Why don't we cross the bridge together - And find a place that's safe and
Esus E
warm

C            Cmaj7   Fmaj7         G        C          Cmaj7       Fmaj7   G
It's not too late,     we should be giving - Only with love can we climb
D#           ??    Fm                A#      D#            Cm             Fsus    F
It's not too late, not while we're living - Let's put our hands out in time

A#                               F    Cdim Gm             Gm7          Gm6
There's got to be a morning after ----- We're moving closer to the shore
F             Cdim               Gb     Gm  D#             Ab
I know we'll be there by tomorrow --- And we'll escape the darkness
Fsus            F              A#     F   D#    F
We won't be searchin' any more

A#               F              D#   F    A#           F               D#     F
There's got to be a morning after - There's got to be a morning after
A#               F              D#   F    A#           F               D#     F    A#
There's got to be a morning after - There's got to be a morning after
