## Chords And Lyrics

### By Alan Jackson

Intro – D-D7-G-D7

          G          G7                  C  
On a hill far away - stood an old rugged Cross  
          D                  D7                  G  C  G  
The emblem of suffering and shame  
                                  G7                  C  
And I love that old Cross -where the dearest and best  
          D                  D7                  G  
For a world of lost sinners was slain

          D                  D7                  G  C  G  
So I'll cherish the old rugged Cross  
          C                                  G  D7  
Till my trophies at last I lay down  
          G                  G7                  C  Am  
I will cling to the old rugged Cross  
          G                  D                  G  D7  
And exchange it some day for a crown

          D                  D7                  G  
Where his glory forever I'll share

D          D7          G  C  G  
So I'll cherish the old rugged Cross

          C                  G  D7  
Till my trophies at last I lay down

I will cling to the old rugged Cross

And exchange it some day for a crown
