

# The Running Kind

## Chords & Lyrics – Radney Foster

Intro – A

A

I was born the running kind - With leaving always on my mind

D

Home was never home to me at anytime

E

Every front door found me hopin'- I would find the back door open

A

There just had to be an exit - For the running kind

Within me there's a prison - surrounding me alone

D

As real as any dungeon - with walls of stone

E

I know running's not the answer - but running's been my nature

A

And a part of me that keeps me - moving on

A

I was born the running kind - With leaving always on my mind

D

Home was never home to me at anytime

E

Every front door found me hopin'- I would find the back door open

A

There just had to be an exit - For the running kind
