

The Closest Thing To You I'm Gonna Find

Tab Chords And Lyrics

By Butch Walker And The Black Widows

Intro C-F-C-F-C Capo 2rd Fret (OPTIONAL)

F C F C
California girls they have a way, of moving their mouths just a certain way

G
Saying things that always seem so right

F C
But when the shine wears off at the end of the day

Am G F
I'm left with the tab and not a word to say

C G C
'Cause I see your face when they turn out my light

F C B-note Am
So I keep another night - by this fire and drink some wine

C F-C-F-C
It's the closest thing to you I'm gonna find

C F C
New York ladies that drive men crazy

F C
Can't keep up I'm from the South and lazy

G
This town stays open too late for these old bones

F C
And maybe it's because its got too many faces

Am G F
Crammed like fishes in compact places

C G C
This is why all of them seem desperate and alone

F C B-note Am
So I pick back up the cigarettes but only for the night

C F-C-F-C
It's the closest thing to you I'm gonna find Hey!

Break – F-C-F-C-Am-G-F-C ... F-C-F-C

C F C F C
Georgia girls took all my pennies - Every time I come back I fall for many

Wake up and wonder why I ever left here
When we spend all night with a drink to the face
Get caught up in politics and race
I just smile and shove the cotton further down my ear
And my hands are full of the sticky sap - from your backyard Georgia pine
It's the closest thing to you Im gpnna find
