

# The More I See You

## Chris Montez

Intro - F-Gb-G-D7

          G      Gmaj7                Am7      D7  
The more I see you ----- the more I want you  
          G      Gmaj7                Am7      D7  
Somehow this feeling ----- just grows and grows  
          A#                                D#      D7  
With every sigh, I become more mad about you  
          Gm      A7                Am7      D7  
More lost without you --- and so it goes

          G      Gmaj7                Am7      D7  
Can you imagine -----how much I love you?  
          G      Gmaj7                Am7      G7  
The more I see you -----as years go by  
          C                Cm                G      F      E7  
I know the only one for me can only be you  
          Am7      D7                        G      F      Gb      G      D7  
My arms won't free you ----- my heart won't try
