

The Party's Over

Willie Nelson

(Capo 2nd fret = original key)

 G D G
Turn out the lights - The party's over
 D
They say that all - Good things must end
 G C
Call it a night - The party's over
 D G
And tomorrow starts the same old thing again

What a crazy crazy party - Never seen so many people
 D
Laughing dancing - Look at you - you're having fun
But look at me - I'm almost cryin' - But that don't keep her love from dyin'
 G
Misery - 'cause for me- the party's over

Ch

Once I had a love undyin' - I didn't keep it- wouldn't try it
 d
Life for me was just one party - and then another
I broke her heart so many times - I had to have my parting wife
 g
Then one day - she said sweetheart - the party's over

Ch

 C D G D G
And tomorrow starts the same old thing again
