

# There Goes My Heart Tab Chords And Lyrics By The Mavericks

Capo 2<sup>nd</sup> fret

          D                          A  
There goes my heart - Breaking in two  
  D  
There go my eyes - Crying over you  
                          D7              G  
My arms don't want - For us to part  
          D                          A                          D  
So when you go- Here come the blues there goes my heart

          A                          D  
You told me once- We'd never part  
          A                          D  
And you loved me - With all your heart  
          G  D  
But now these words of love you're going to erase  
          A  D  
You've found somebody new-who wants to take my place

Ch  
          A                          D  
I'm standing on - A bridge that's burned  
          A                          D  
It's just a lonely - Lesson learned  
          G  D  
To see you walk away with him hurts me so  
          A  D  
This fool who loves you doesn't want to - let you go

Ch  
          D                          A                          D      G  
So when you go here come the blues there goes my heart x 2

End on D
