

There Was This Girl - Riley Green

Capo 1st fret = original key

Intro - C-F-G ... C-F-G

C F G
Never knew my old man's truck could even run like that

C F G
Should've known better than to take that curve so fast

C F G
Daddy pulled up I was down in a ditch and he asked me why I did what I did

C F
There was this girl - drink in her hand

G
Shootin' me a "let's get into trouble" grin

C F G
I ain't never seen - somethin' so fine - and I was doin' anything to make her mine

F G
I was out of my mind she was out of this world

C F G
There was this girl

C F G
Some folks ask me why I still pick this guitar

C F G
They say livin' that life on the road won't get you very far

C F G
I say man you should've been down in Tupelo seen what was in the front row

C F
There was this girl - beer in her hand

G
Shootin' me a "play a little Skynyrd" grin

C F G
 She's turnin' it up- she's turnin' me on and I'd play her anything she'd sing along

F G Am F G
 I was out of my mind she was out of this world - There was this girl (BREAK)

Am F G
 Yeah there was this girl

C F G
 Didn't know a diamond ring could cost so much (damn)

C F G
 Took six months on a farm 'fore I saved up

C F G
 All my drinkin' buddies still out on the town wonderin' why I ever settled down

C F
 But there was this girl - holdin' my hand

G
 Shootin' me a "start a life together" grin

C F
 She's pullin' me in - she's straightenin' me out

G
 And now I know what love is all about

F G Am G6
 I'm still out of my mind she's still out of this world - There was this girl

C F G
 Yeah, there was this girl

C F G
 Yeah, there was this girl

C F G
 There was this girl
