

This Is Tomorrow

Chords And Lyrics

By Bryan Ferry

Intro – A

Here in the hush of evenin'- On a night in June
Overhearin' conversations - Bayin' at the moon
Suddenly a voice I'm hearin's - Sweet to my ear
This is tomorrow's callin' - Wishin` you were here

Layin' in my hotel bedroom - Feelin' ceilin' blues
Wall to wall a TV's twitchin' - Clearly not a muse
Then flashin' through the interference beams - a thousand tunes
This is tomorrow callin'- What have I to lose?

Gb-D#-B-E-Db ... Gb-D#-B-E

Truckin' by the railway station - I'm on the road again
Steerin' clear of all temptation - Unto the point of pain
When steamin' through on cue I hear that wailin' whistle blow
If this is tomorrow callin'- Oh what a way to go!

Break – A-E-A-E-Db-D-B7-A-B-E-A-E

Day to day you live old fashioned - Hi-toned, fancy free

A double take, an image-spittin' - Tailored to a T

While history is tellin' you - The same old thing

This is tomorrow callin'- Let's stick a new oar in

This is tomorrow callin' - Y'all 'n Come on in
