

# This Night Won't Last Forever

## Sawyer Brown

Capo 3rd fret

Intro - C-Bm-Em-C-Dsus-D-G-C-Gbm-B7

Em                      Bm                      C                      G  
Everybody likes a celebration - happy music and conversation  
Am7                      Dsus                      D                      G                      Gbm                      B7  
But I'd be lyin' - if I said I didn't have the blues  
Em                      Bm  
In the corner there's a couple dancin'  
C                      G                      D/Gb                      Em  
From the kitchen I can hear her laughin' Oh I  
A7sus                      A7                      Am7                      D7sus                      D7  
Wish I was celebratin' too

G                      Em                      Bm  
I know - this night - won't last forever  
C                      Em                      Am7                      D7sus                      D7  
I know - the sun's - gonna shine sometime  
G                      Em                      Bm  
I need - some hope - for a bright tomorrow  
C                      Em                      Am7                      D7sus                      D                      G                      C                      Gbm                      B7  
I know - this heart - is gonna mend just fine

Em                      Bm                      C                      G  
So pardon me for my disposition - wish I didn't have to sit and listen  
Am7                      Dsus                      D                      G                      Gbm                      B7  
She's playin' the same old songs on the stereo  
Em                      Bm  
She's been lyin' since the day I met her  
C                      G                      D/Gb                      Em  
I'd be better off to just forget her Oh I  
A7sus                      A7                      Am7                      Dsus                      D7  
Would rather be lonesome or go

G                      Em                      Bm  
I know - this night - won't last forever
