ooo ooo ooo ooo ooo ooo ooo ooo (x3)
F C G Am
Whenever I look back- On the best days of my life
F C G Am
I think I saw them all on T.V.
F C G Am
I am so homesick now for someone that I never knew
F C G Am
I am so homesick now for someplace - I will never be

F C G F C G
Time won't let me go --- Time won't let me go
F C G
If I could do it all again - I'd go back and change everything but
F C G
Time won't let me go

F C G Am
ooo ooo ooo ooo ooo ooo ooo ooo (x2)
F C G Am F C G Am
I never had a 'Summer of 69' --- Never had a Cherry Valance of my own
F C G Am
All these precious moments - You promised me would come in time
F C G
So where was I when I missed mine?

F C G F C G
Time won't let me go -- Time won't let me go
F C G
If you gave me back those years - I'd do it all better I swear but
F C G
Time won't let me go
F C G Am
Ba ba ba ba ba ba ba ba ba ba ba ba ba ba ... x 4
