## Chords And Lyrics

### By Jason Aldean

Capo on 2<sup>nd</sup> fret

Intro – Em-Cmaj7

Em  
You ain't got a dress that I don't like  
Cmaj7  
You ain't got a pair of jeans that don't fit you just right  
Em  
There's not a minute in the day  
Cmaj7  
That you don't knock me out you don't blow me away  
C D  
But girl, now that the sun's gone down (whoa-oh-oh)  
C D  
Looking at you right here and now - baby

Em D Cmaj7  
Somethin' 'bout that southern sky - Sittin' back behind that moon  
D Em  
It goes perfect with your eyes - Girl tonight looks good on you  
D Cmaj7  
Somethin' 'bout the way you're smiling - Makin' them stars fall right on cue  
D Em Cmaj7  
I just gotta tell you baby - Tonight looks good on you

Em  
I can taste the midnight on your lips –  
Cmaj7  
Makes me just wanna lean in for another kiss  
Em  
Wind blowing your hair around - Girl it makes me want to lay you down  
Cmaj7  
You've been beautiful a million times but I've never seen you look like this  
D  
No

Em D Cmaj7
