

Tonight My Baby's Comin' Home

Tab And Lyrics

By Barbara Mandrell

Intro D-E-G-A-D-A (Drop D tuning -- and this isn't the original key)

D E
Last night he called from Dallas he was havin' a beer at the Crystal Palace
G A D A
He said honey you won't be alone for long
D E
I got to make just one more stop - to pick up a ring in Little Rock
G A D A
Then I'm a gonna head this semi straight for home
D E
Fourteen wheels a whinin' - four big headlights shinin'
G A D A
Him and that semi - been away too long
D
Hope he don't get stopped from speedin'
E G A D
Cause I've got everything he's needin' - waitin' for him - right here at home
G D B7 E A
He's got that big ole engine singin' - singin' my favorite song
D E
And I know he's headin' my way - rollin' down the highway
G A D A
Tonight my baby's comin' home

Break D-E-G-A-D-A

D E
For ten thousand miles I've missed him - it's been a week since I kissed him
G A D A
And forty truckstops - since I held him tight
D
A million chicks and she can get 'em
E
They wanna make love and he won't let 'em
G A D
The only thing he wants he'll get tonight
