

Too Much On My Heart

Tab Chords And Lyrics

By The Statler Brothers

Intro G-A7-D-A7 (original key is capo on the 4h fret)

You're having second thoughts - I can tell by the way you look at me

I can tell by what I see - That you no longer believe in me

I'm havin' bad dreams - can't seem to get back to where we used to be

Sometimes it feels like we're worlds apart

And I've got too much on my heart

I've got too much on my heart ----- And I don't like to feel the pain

And I don't know where to start -- To make you love me once again

I don't have time to make you understand

Lord this thing is gettin' out of hand

Pain shoots through me like a dart - And I've got too much on my heart

Break G-A7-D-A7

Don't be so cold to me - I know you've changed but it's still hard for me

It's too late I realize - I can see it in your distant eyes

You needed all of me - But I can't be there like I used to be

And Lord, it's tearin' me apart - 'Cause I got too much on my heart

Pain shoots through me like a dart - And I've got too much on my heart
