

D Bm  
Just like the rubber turning on the ground  
Em A7sus A7  
Always lost and - nowhere bound

D Bm  
I'm just a traveler - on this earth  
D Bm  
Sure as my heart's behind the pocket of my shirt  
G Em  
I'll just keep rolling till I'm in the dirt  
D Bm  
'Cause I'm a traveler - oh I'm a traveler  
D Bm  
I couldn't tell you honey - I don't know  
D Bm  
Where I'm going but I've got to go  
G Em  
'Cause every turn reveals some - other road  
D Bm D Bm  
And I'm a traveler - oh I'm a traveler

G Em G  
When I'm gone - Somebody else will have to feel this wrong  
Em G Em A7sus A7  
Somebody else will have to sing this song - Somebody else will have to sing along  
A7sus A7  
Sing along
