

# Trouble

## Tab Chords And Lyrics

### By Mark Chesnutt

Intro – E

E

You're gonna get me into trouble - I knew it right off the bat  
You're gonna get me into trouble - if you keep looking like that

A

I may be alone but there's someone at home

E

I just know I'm making a mistake

A

A woman like you walks in a place like this

B7

A G

You can almost hear the promises break.

E

You're gonna make me need an alibi  
You're gonna make me have to watch my back  
You're gonna make me have to tell a bunch of lies  
You're gonna make me have to cover my tracks

A

Well I told her I wouldn't -I thought that I couldn't

E

A

Now I'm so ashamed - When I look at you it's all that I can do

B7

A G

To think about what's her name.

E

You're gonna get me into trouble -I knew it right off the bat  
You're gonna get me into trouble - If you keep looking like that

A

E

Dont' look like that, baby - No, no, no, no.

Break A-B7-A7-E-A7-B7 ... A G

E

You're gonna mix my emotions - And you're gonna tangle my net  
You're gonna make me do somethin' - That I'm afraid I won't regret

A

I may be alone but there's someone at home

E

I just know I'm making a mistake

A

A woman like you walks into a place like this

B7

A G

You can almost here the promises break.

E

You're gonna get me into trouble. -You're gonna get me into trouble.

You know you're gonna get me.- You know you're gonna get me.

You know you're gonna get me in trouble now don't you?
