 Down through the years - we've had hard times and tears
 F C
 But it only -makes our love grow
 Em G
 And we'll stay together - no matter how hard the wind blows
 C C7
 Not once have I seen your - blue eyes filled with envy
 F C
 And stray from the warmth - that they hold
 Em F G C
 True love travels on a gravel road

 C7
 Now love is a stranger - and hearts are in danger
 F C
 On smooth streets - paved with gold
 Em F G C Em F G C Em F G
 True love - travels on a gravel road

 True love travels on a gravel road .. ahhhh
 F G C Em
 And it's gonna be rough sometimes
 F G C Em F G C Em F G C
 but I want to - travel on a ----- gravel road
