

Tryin To Untangle My Mind Chords & Lyrics – Chris Stapleton

Capo 3rd fret (original key)

Intro C-G-A

Well I drank - a lot of whiskey - in my time

And I've held a lot of women that were fine

And I've made a little money - I blew every dime

Tryin' to untangle my mind

Well I've made - a lot of choices that were wrong

Had the good lord - spend too many nights alone

And I've been out on the edge - and I've stumbled across the line

Tryin' to untangle my mind

So if you see me - and I'm lonesome and stoned

So far down the devil floatin' high

I'm just tryin' to untangle my mind

Break - A-E-A.. A-E-A ... D-Ddim-A-E-A

But I'll do - what I do til the day I die

No heartache for the ticket - so I guess I'll pay the fine
