

Turning To The Light

Chords And Lyrics

By Joey And Rory

Intro – D-G

Like a seedling in the clay - When the sun's first golden ray
Marks the breaking of the day - I am turning to the light

I am turning to the light - I am reaching toward the sun

I have journeyed through the night - And the battle now is won
There's a new song in my heart - There's a new day dawning
bright

Oh I'm turning to the light

Short Break – D-G

Not so very long ago - I lay covered by the snow
With no sign of spring in sight - Now I'm turning to the light

Ch

Long Break – G-D-G.....G-D-G

Like a Robin in the spring - When the dew is glistening
I will raise my voice and sing - I am turning to the light

[Chorus 2x] - Oh I'm turning to the light
