

Turtles All The Way Down

Tab Chords And Lyrics

By Sturgill Simpson

E A
I've seen Jesus play with flames - in a lake of fire - that I was standing in
B7 E
Met the devil in Seattle - and spent 9 months - inside the lions den
A
Met Buddha yet another time - and he showed me a glowing light within
B7 E
But I swear that God is there every time I glare in the eyes of my best friend
A E
Says my son it's all been done and someday yer gonna wake up old & gray
A
So go and try to have some fun - showing warmth to everyone you meet
B7
and greet and cheat along the way
E
There's a gateway in our mind that leads somewhere out there
A
Far beyond this plane
B7 E
Where reptile aliens made of light - cut you open and pull out all your pain
A
Tell me how you make illegal - something that we all make in our brain
B7 E
Some say you might go crazy - but then again - it might make you go sane
A
Every time I take a look - inside that old and fabled book
E
I'm blinded and reminded of - the pain caused by some old man in the sky
A
Marijuana, LSD, psilocybin, and DMT - they all changed the way I see
B7
But love's the only thing that ever saved my life

E

So don't waste your mind on nursery rhymes
Or fairy tales - of blood and wine

A A/Ab Gbm

It's turtles all the way down the line

A

So to each their own til' we go home - To other realms our souls must roam

B7 E

To and through the myth - that we all call - space and time
