

# Volcano - Damien Rice

Am                    G Fmaj7                    G  
 Da da da da da da -- da da da da da da ..... x2

Am                                    G Fmaj7                                    G  
 Don't hold yourself like that ---- cause you'll hurt your knees

Am                                    G Fmaj7  
 I kissed your mouth and back ----- but that's all I need

G                    Fmaj7                    G Fmaj7  
 Don't build your world around - volcanoes melt you down

G Am                    Fmaj7                    G Am                    Fmaj7  
 What I am to you - is not real ----- What I am to you ----- you do not need

G Am                                    Fmaj7  
 What I am to you ----- is not what you mean to me

G Am  
 You give me miles and miles of mountains

Fmaj7                    G  
 And I'll - ask for the sea

Am                    G Fmaj7                    G  
 Da da da da da da -- da da da da da da ..... x2

Am                                    G Fmaj7                                    G  
 Don't throw yourself like that ----- in front of me

Am                                    G Fmaj7  
 I kissed your mouth your back ----- is that all you need?

G                    Fmaj7                    G Fmaj7  
 Don't drag my love around - volcanoes melt me down

G Am                    Fmaj7                    G Am                    Fmaj7  
 What I am to you - is not real ---- What I am to you --- you do not need

G Am                                    Fmaj7  
 What I am to you - is not what you mean to me

G Am Fmaj7  
You give me miles and miles of mountains -- and I'll ask for

C E7  
What I give to you -- Is just what I'm going through

Am Fmaj7  
This is nothing new - No no just another phase of finding

C E7  
What I really need - Is what makes me bleed

Am Fmaj7  
And like a new disease - oh she's still too young to treat

Am G Fmaj7 G  
Volcanoes melt you down ..... Volcanoes melt you down....x4  
(She's still too young) --- I kissed your mouth ---

(You do not need me)
