

# Walk On Faith

## Mike Reid

Capo 2nd fret - Drop D Tuning

Intro - D-G-D-A-D

D                                      A          G  
We have come to this place in our love

                                D                                      A  
Where faith must be stronger than fear

                                G                                      D          Bm  
For if true love is our destination

                                D                                      A  
Thru every storm - it must always be clear

                                G                                      A                                      D  
The surest way to get there from here

                                G                                      D  
Is to walk on faith - Trust in love

                                A                                      G                                      D  
Just keep on putting one foot down - In front the other

                                G          D          A          G                                      D          A  
When the valley so wide we - stumble in stride

                                G                                      D                                      Em  
And everything - inside wants to give up

                                G          A          D  
Walk on faith - trust in love

Break - G-D-A-D

  A                                      G  
Farther on beyond the shadows of our doubts

D A  
We will live - where true love never dies  
G D Bm  
Though the road we must travel is uncertain  
D A  
There is a truth - in our hearts - that never lies  
G A D  
It is by such grace - we are bound to arrive

G D  
It is to walk on faith - Trust in love  
A G D  
Just keep on putting one foot down - In front the other  
G D A G D A  
When the valley so wide we - stumble in stride  
G D Em  
And everything - inside wants to give up  
G A D  
Walk on faith - trust in love

G D  
It is to walk on faith - Trust in love  
A G D  
Just keep on putting one foot down - In front the other  
G D  
Come on walk on faith when the valley is wide  
A G D  
And everything inside is telling you to give up

Intro - G-D-A-D
