Intro - C-F-G-C-F-C

                  F      G                  C  
Welcome to my world - Won't you come on in?

                  F      G                  C  
Miracles, I guess - Still happen now and then

                  F      G                  C  
Step into my heart - Leave your cares behind

                  F      G                  C F C  
Welcome to my world - Built with you in mind

G  C  
Knock and the door will open

G  C  
Seek and you will find

G  C  
Ask and you'll be given

      D7  G  
The key to this world of mine

                  F      G                  C  
I'll be waiting here - With my arms unfurled

                  F      G                  C  
Waiting just for you - Welcome to my world

Break - F-G-C

                  F      G                  C      F C  
Waiting just for you- Welcome to my world
