Intro - E

O boldly clap - in a room full of nothing
You never know, it could be one of those - poignant evenings
Museum's locked - and it's long since past closing,
you cannot know - you cannot not know - what you're knowing

The curtain climbs - over me every morning
I don't know why - I'm so immunized - against reforming
To coldly slap - at a face full of nothing,
You never know - it could've been one of those - looks of longing
