

What Kinda Gone Chords And Lyrics By Chris Cagle

Drop D Tuning – Capo 3rd fret - (optional)

Intro - D

I heard the door slam - And I couldn't tell - Was it just the wind

G

Or was she mad again Ah hell

D

She's gettin' in her car

I hallard baby - is there somethin' wrong-thought I heard her say

G

Something sounded like I'm gone

A

Gb

G

But these days gone can mean so many things

D

Well there's gone for good and there's good and gone

A

Then there's - gone with the long before it

G

I wish she'd been just a little more clear

D

There's gone for the day and gone for the night

A

Bm

Gone for the rest of your dog-gone life

Bm/A

G

Is it whiskey night - or just a couple of beers

A

D

I mean what kinda gone are we talkin' 'bout here

Well its gettin' dark out she ain't back yet - Ain't called home

G

Turned off the phone Ah man

D
This mighta not be good
Would have stopped her - when she went to leave
But I didn't 'cause I didn't really think what I'm thinkin' now G
A Gb G
Still not sure what gone is all about
