Whatever's Written In Your Heart
Tab Chords And Lyrics
By Gerry Rafferty

D+ note is the D string 1st fret and open G B under
B is the B note 2nd fret A sting and the B string 3rd fret

C G C G D+
Yeah, - night and day, night and day
Em G
Wakin' up here on a rainy day - I swore last time that I would stay away
D B C D B C Am G D+
I came down here to talk to you- I said this time I might get through
Em
I heard her speak but all the words were dead
G
We talked all night and left it all unsaid
D B C D B C Am G
So we agree to disagree - At least we've got our memory

C Am G
Whatever's written in your heart - that's all that matters
C Am G
You'll find a way to say it all someday yeah
C Am G
Whatever's written in your heart -- that's all that matters
C G C G D+
Yeah -- night and day - night and day

Em
You've got your secrets, yeah, and I've got mine
G
We've played this game now for a long long time
D B C D B C Am G D+
You don't lean on anyone -- You never had no place to run
Em
You never wanted me to get too close
G
We love and hate the ones we need the most
D B C D B C Am G
I tried to find a way to you -- One thing I could say to you

Ch

BREAK- Em – G – Em – G – D – B – C – D- B – C – B- Am – G - D+note

Em
Maybe I've always set my sights too high
 G
You take the easy way and still get by
D B C D B C Am G D+
I know there ain't no special way - We all get there anyway
Em
I heard her speak but all the words were dead
 G
We talked all night and left it all unsaid
D B C D B C Am G
So we agree to disagree - At least we've got our memory

Ch

C
Whatever's written in your heart
G C G
Whatever’s written in your heart night & day – Night & Day
C
Whatever's written in your heart
G C G
Whatever’s written in your heart night & day – Night & Day
