

When The Morning Comes

Tab Chords And Lyrics

By Hoyt Axton

Intro – D

When the morning comes and you gotta get up
G A
How you going to find your shoes
A D
In an empty bed with an achin' head - You know its got to give you the blues
A G D
I don't know what's going on here - I know things are not right
A
If you want me to I'll go dear - If you want I'll stay all night
G D
I came here with my broken heart - Wrapped away with care
D7 G E7
And all you do -- is sit and drink and stare ---- at your T V.
A D

Chorus

D A
You ask me why I came here - But you're the one who phoned
G D
I wasn't very happy - But I did alright alone
D7 G E7
I thought you learned to love me - I guess you never will
A D
The key's lost to the kingdom - And I don't have time to kill

Chorus --- Break – D-A-G-D-D7-G-E7-A-D --- Chorus

D A
So it's goodbye Carolina - So long Tennessee
G D
California's callin' and - Chicago's good to me
D7 G E7
My feet are in the stirrups - My pony wants run
A D
I think I'll hit the highway - I guess your not the one

Chorus (x2)
