

When It Don't Come Easy - Patty Griffin

Capo 1st fret (optional)

Intro - C-Csus-C-Csus

C G
Red lights are flashing on the highway - I wonder if we're gonna ever get home

F C Csus C
I wonder if we're gonna ever get home tonight

G
Everywhere the waters getting rough - your best intentions may not - be enough

F C
I wonder if we're gonna ever get home tonight

F C
But if you break down - I'll drive out and find you

F C
If you forget my love - I'll try to remind you

Dm F C Csus C Csus
And stay by you - when it don't come easy - mmmm

C
I don't know nothing except change will come

g
Year after year what we do is undone

F
Time keeps moving - from a crawl to a run

C
I wonder if we're gonna ever get home
You're out there walking down a highway

G
And all of the signs got blown away

F C
Sometimes you wonder if you're - walking in the wrong direction

F C
But if you break down - I'll drive out and find you

F C
If you forget my love - I'll try to remind you

Dm F C
And stay by you - when it don't come easy - - when it don't come easy

G F C
So many things that I had before - it don't matter to me now

G F C
Tonight I cry for the love that I've lost - and the love I've never found

Dm F
When the last bird falls - and the last siren sounds

C G F
Someone will say what's been said before - it's only love we were looking for

F C
But if you break down - I'll drive out and find you

F C
If you forget my love - I'll try to remind you

Dm F C
And stay by you - when it don't come easy - when it don't come easy
