The words - of her promise - The flame of her faith  
Bm G D  
The love - that would never - drift away

Where did they go Lord - where did they go?

You know somehow - forever - Slipped out -of my hands  
Bm G D  
And my dreams - ran away - with the wind

Where did they go Lord - where did they go

You know sometimes I wish I had lost her to another

Well but Lord - she just walked off - all alone  
G D Bm  
But all that is within me -is the bitter - just ending  
E7 A7  
And bewildered - because her love is gone

D A/Db G D  
Oh the passion - I trusted - The truth that I leaned on  
Bm G D  
And the hope - that would forever - keep me strong  
Gb G Ddim  
I cry out - my questions - Oh, the answers are all gone  
D A Bm G  
Where did they go Lord - tell me where did they go

Where did they go Lord - tell me where did they go
