

Whiskey Chasin Chords And Lyrics By Joe Stampley

Capo – 1st fret (optional)

Intro – Am-D7-G

Am D7 G
Looks like this bad rainy weather - kept every one else in
G7
I'd hoped someone would come along and fill the space in me
C
where your love's been
Am D7
I'm sittin' in a bar - in the middle of the day
Am D7 G
Just whiskey chasin' - all my troubles away

Am D7 G
Another shot of southern comfort - some water on the side
G7 C
It's crazy when a man allows himself to be so taken for a ride
Am D7
But love is so strong it does what it wants to
Am D7 G
I'm whiskey chasin' - memories of me and you

Am7 D7 G
The music in the background - sounds like it's pouring out of my heart
D Cdim Em
Seems like every time the saddest song has played
D A7 D G
A sadder one will start

Am D7 G
I wonder what's happening - in the bar across the street
G7 C
There's got to be a place in town where broken hearted people go and meet
Am D7
Hey friend another round - when you're down at this end

Am D7 G
I'm whiskey chasin' - the world away again
Am D7
I need some more southern comfort - when you're down at this end
Am D7 G
I'm whiskey chasin' - my troubles away again
Am D7 G
I'm whiskey chasin'- my troubles away again
