Intro - G-C-Am-C ... G-C-Am-C

          G                          C  
I spent twenty years trying to get out of this place  
          Am                          C  
I was looking for something I couldn't replace  
          G                          C                  D  
I was running away from the only thing I've ever known  
          G                  C                  Am                  C  
Like a blind dog without a bone - I was a gypsy lost in the twilight zone  
          G                          C                  D  
I hijacked a rainbow and crashed into a pot of gold  
Em                          C                  G  
I been there, done that - But I ain't looking back on the seeds I've sown  
          Bm                  C                  D  
Saving dimes, spending too much time on the telephone  
                                  G  
Who says you can't go home?

                          C  
Who says you can't go home?  
          Am                          C  
There's only one place they call me one of their own  
          G                  C                  D                          G  
Just a hometown boy born a rolling stone - Who says you can't go home?  
                          C                          Am                          C  
Who says you can't go back? - I been all around the world and as a matter of fact  
          G                  C                  D                          G C Am C  
There's only one place left I wanna go - Who says you can't go home?  
(It's alright, it's alright, it's alright, it's alright, it's alright ... SING OR PLAY INTRO)

          G                          C  
I went as far as I could - I tried to find a new face

Am C  
There isn't one of these lines that I would erase  
G C D  
I lived a million miles of memories on that road  
G C Am  
With every step I take, I know that I'm not alone - You take the home from the boy  
C G  
But not the boy from his home - These are my streets  
C D G  
The only life I've ever known - Who says you can't go home?

Ch

Break - G-C-Am-C - G-C-Am-D

G C  
It doesn't matter where you are - It doesn't matter where you go  
Am C  
If it's a million miles away or just a mile up the road  
G C D G  
Take it in - Take it with you when you go - Who says you can't go home?

C Am C  
Who says you can't go back? - Been all around the world and as a matter of fact  
G C D G  
There's only one place left I wanna go - Who says you can't go home?
