

Wild As You

Cody Johnson

Capo 4th = original key

Intro - G-C-D ... G-D-C

Em C G
You're like waking in the morning by a mountain stream

Em C D
You're like watching that eagle floating on the breeze

C D Em
As I listen to you dreaming by my side

C G D
I wish I could call you mine

G D C G
But you belong where the four winds blow - Out where the untamed mustang roam

D C
Like a sweet summer rain - passing through - never seen anything wild as you
Break - G-D-C .. G-D-C

Em C G
I could stay with you like this

Em C D
Till the day love don't exist

C D Em
Wild flowers bloom in an open field

C G D
And wither in a vase on a window sill

Ch

Break - G-D-Am-Bm-C

Em C G
There's a part of me that prays

Em C D
That you'll hang up your wings someday

C D Em
But the part that truly does love you

C G D
Always hopes you never do

G D C G
'Cause you belong where your heart can be - Out in the open, wild, and free

D C
Like a sweet summer rain - passing through I ain't never seen anything wild as you

G D C G
You belong where the four winds blow - out where the untamed mustang roam

D C
Like a sweet summer rain, passing through - never seen anything wild as you

G D C G
You belong where the four winds blow - out where the untamed mustang roam

D C
Like a sweet summer rain, passing through - never seen anything wild as you
