

You Look Like I Need A Drink

Chords And Lyrics

By Justin Moore

Capo on 4th fret

Intro – D-G-D-G

D G
I could tell by the way - you sounded when you called
D G
That I wasn't going to I like what you had to say
D G
I could read between the lines there was something different this
time
D G
You're coming over tonight 'cause you couldn't wait
Em Gbm
Now you're in the drive I'm a wreck inside
G
As you walk in through that door

D
You look like I need a drink right now
G Bm G
You look like you're gonna try to let me down nice and easy
D Bm
I think I know why you won't sit down you're just dancing around
G A
What you came here to do but you're scared to
Em G
And all I can think the way you're looking at me
D G
You look like I need a drink

D G
Been little over a year since you were standing right here
 D G
And I was nervous for a whole 'nother reason
 D G
Now it's a little bit hard - being this caught off guard
 D G
Watching you trying to not hurt my feelings

 D
You look like I need a drink right now
G Bm G
You look like you're gonna try to let me down nice and easy
 D Bm
I think I know why you won't sit down you're just dancing around
 G A
What you came here to do but you're scared to
 Em G
And all I can think the way you're looking at me
 D G
You look like I need a drink

Break - D
G D Bm G A
You look like I need a drink

 Em Gbm
I don't know how this ends - or where this goes
 G
But the only thing I know is

Ch
G D G G
You look like I need a drink - Yeah You look like I need a drink
 G D G
right now - baby - like i need a drink - Yeah - a nice stiff drink
