Take me to the times where - We'd look up to the skies and

Climb up there and draw the thunder down

Now I'm forcing myself into - What you've already been through

Am
But darlin' I can't help the way I feel

F C F C
And you need something stronger - A drug to kill the hunger

G C
And ease the awful pain of living here

Am C
Well I'm the kind of love that hurts to look at

Am C
Maybe we should take it as a sign

F C F C
When I'm strung out on leavin' - Exaltin' all my demons

G C
And you don't care for me - enough to cry

F C F C

Now where I am unattended - In a splendid love's remembrance

G C

You lost the mind to even do me wrong

Am C

And I'm the kind of love that hurts to look at

Am C

But once I was enough to make you try

F C F C

Now I'm underneath the rubble - Tryin' not to feel the trouble

And you don't care for me - enough to cry
